An armed intruder enters the house of worship...

It can happen.

It has happened.

Over, and over again.

Active Shooter/Armed Intruder in the Church

This vital new program from Sorensen, Wilder & Associates will aid you church or house of worship in:

Creating a state of preparedness.

Is your church or house of worship ready for the unforeseen emergency: environmental, accidental or hostile? Do you have a plan?

Defining critical terminology and concepts specific to an armed intruder within your church or house of worship. Specifically, is the event a limited, single-target event or a broad, community-wide continuous event? It is vital for your team to understand how one type of incident can morph into another.

Reviewing a case study and discuss the unforeseen challenges that the event can generate that could adversely affect your facility.

Learning how you can protect your congregation during the commission of a hostile active event within your church or house of worship by utilizing 'The 4 Outs' of the Active Shooter Safety Action Plan.

Understanding the increased stress and anxieties that go hand-in-hand with an armed intruder event and how to control those anxieties and stress through preparation and training.

Understanding the critical decision making process and the psychology behind it. Participants will learn to refine decision making skills in order to increase the likelihood of survival everyone present during an active shooter event.

Remain safe and alive during an active hostile event!
