## **IF YOUR SCHOOL IS NEXT, WILL YOU BE PREPARED?**

*This critical program from Sorensen, Wilder & Associates will aid your team in:*

### **Achieving a State of Preparedness**

Is your school ready for this new threat? Does your Emergency Operations Plan cover all it needs to cover? Are your faculty & staff trained in realistic scenarios? Do they know how protect themselves and your students?

**Defining terminology and concepts** specific to an armed intruder on your campus, specifically, a focused and limited active shooter event or a broad, campus-wide continuous event. Understanding each type of event and how one can morph into another.

**Understanding the challenges** that an event can generate, the impact on the safety of students, faculty and staff, and the impact on staff performance and operations.

**Learn how your staff can protect themselves** during an active shooter event by using 'The 4 Outs' of the Active Shooter Safety Action Plan.

**Understand the increased stress and anxieties** that happen with an active shooter event and how to control these factors through preparation and training.

**Understand the critical decision-making process** and the psychology behind it. Refine decision-making skills to increase the likelihood of survival of students, faculty and staff during an active shooter event.

**Learning the S.T.A.F. Protocol** to assist in making the critical decision between personal safety and the safety of your students, faculty and staff.

**Remain safe and alive during an active shooter event!**
